

Students learn about the History of the Magna Carta

On Monday, 15th June, Ms. Alfred-Kamara and I organised for Year 7 students to watch 'The Magna Carta: the story of our Human Rights' which was streamed live from central London. On this day, 800 years ago, King John met his barons on a meadow at Runnymede, near Windsor. He signed the Magna Carta, which was a list of 63 demands he had to meet if the barons were to swear their loyalty to him.

In popular culture, the Magna Carta is seen as the first attempt whereby the rights and freedoms of English people were written down. This is why many organisations are celebrating the 800th anniversary of the Magna Carta this year. Though the list of demands covered free men only in the 13th century, the Magna Carta is regarded as a turning point in history because it inspired future generations of people in England, Europe and North America to demand rights.

If you wish to learn more about the story of our human rights, why not visit Lincoln Castle this summer where one of four original copies of the Magna Carta is stored, or visit the British Museum from 1st September which will open an exhibition called, 'Magna Carta: Law, Liberty and Legacy.'

I would like to thank all staff who contributed to helping the History Department organise the afternoon for our students.

Ms. J. Begum
Head of History & Politics

King John signing the Magna Carta at Runnymede, 15 June 1215

Celebrating a Successful Year of Paired Reading

The Year 7 reading programme was introduced to support reading and is coming to a close with some dramatic success stories. Over the school year 40 Year 7 students were chosen for an intervention programme to help improve reading capabilities. This programme involves six form mentoring and continual computer assessments. This year we have numerous students who have made over a two years improvement in their reading age with a significant improvement from the majority. In order to celebrate the groups amazing success, English

graduate, Lucy Pugh was invited to read to the group who enjoyed the bean bags and biscuits.

"A capacity and taste for reading gives access to whatever has already been discovered by others." Abraham Lincoln

Mrs Williams

SEN Students on Sports Day

Participating in Sports Day was a treat for all our students but perhaps particularly so for our Year 7 SEN students. They showed great enthusiasm to participate in a variety of events and were delighted with their own success. A Year 7 Student with down syndrome ran successfully and was awarded second place. Our learning support assistants were very proactive in making all efforts to facilitate a wonderful experience for our SEN students who were able to participate fully in this wonderful event.

AS/A2 Photography Exhibition

By Louiza Krokatsis

By Brooke Tobie

By Eda Arslan

By Bianca Iliu

By Layla Kourichi-Apcher

We are proud to announce the winners of this year's AS/A2 Photography exhibition. We have been very impressed with the quality of the work throughout the show but the students who received the most votes from visitors are:

AS Photography: Brooke Tobie, Layla Kourichi-Apcher, Rakeem Scott

A2 Photography: Eda Arslan, Bianca Iliu, Louiza Krokatsis

Congratulations to all of them for their hard work and their amazing creative talent! They will receive a £10.00 Amazon voucher each. Thank you to all of you who have supported our students by attending the exhibition.

Ms Schmid, The Photography Department

Summer Fair and School Lottery

We have an exciting fund raising weekend ahead of us.

On Saturday we have our 1st School lottery draw - tickets can be bought online for £1 via the website 'your school lottery' (go to the website and search for Hendon) at the moment the prize is £10 but as more tickets are sold the higher the prize is, and you support our school at the same time. Your ticket also is entered automatically into the 'Your School Lottery' National (all schools that participate) prize of £25,000! You have to be in it to win it!

On Sunday from 12pm - 4pm we have the School Fair, an important day in the school year - which we are combining with a Reunion for former students. This will be a fun day for all the family. So please do come along and if you have a child who has left the school - let them know (and their friends) so we can make it the best fair ever!

If you are able to donate something for our Tombola, want a stall, or are able to donate food please do email me if you haven't done so already.

We are selling Raffle tickets for £1 with some amazing prizes donated as listed below (If you are unable to attend but want to purchase Raffle ticket email me).

VIP dinner for 10 at Planet Hollywood donated by Former Hendon Student Robert Earl - (Chairman/CEO of Planet Hollywood and TV chef)	Family ticket (2 adults/2 children) London Big Bus tour
Family ticket (2 adults/2 children) London Eye	Return ticket for 4 anywhere on London Midland network
Family Ticket - City Cruises London Boat Tour x2	Family Ticket (2 Adults/2 children) Tower of London Exhibition
1 Adult & 1 Child Paradise Wildlife Park	Virgin Active Mill Hill Day Pass x 3
£50 Boden clothes voucher	£25 Marks & Spencer Voucher
Afternoon Tea to value of £15 Evita Place (Bell Lane)	4 Adult eye examinations and 2 x 25% off vouchers for spectacles at Hendon Opticians
£10 Love2shop vouchers

Noor inspires Red shirts to maiden win with quick-fire 19 from 12 balls

Mill Hill County High School v Hendon School @ Mill Hill County High School (Wednesday 17th June 2015)

Mill Hill County High School 45-0 (10 overs) Hendon School 46-4 (9.1 overs)

Star Batsman:- Sami Noor

Star Bowler:- Meet Bhanshali

Having reached the semi-finals of the Kwik Cricket London Youth Games the previous week, Khan and Varsani were quietly confident that they could pull off a huge upset against the league leaders on what looked set to be a beautiful evening for Cricket. After a delayed start it was agreed that both teams would bat 10 overs and it was Mill Hill who elected to bat first on what is traditionally a high-scoring wicket. After racking up 35 runs from 6 overs, County looked set to post a total of 70 or above until Khan handed Bhanshali the ball for the 7th over. The County batsmen had no answer to Bhanshali's consistently good line and length, as the seam bowler conceded just 1 run from 2 overs in only his second league outing of the season. Noor, so often the star of the show with the bat, chipped in as he conceded just 2 runs in the final over to limit County to 45 runs from their 10 allocated overs.

With Khan aware that the run-rate of 4.5 an over was well within the team's grasp he decided to move Noor up the order to open the batting, a decision he was ultimately rewarded for. The County bowlers got a taste of what was to come when Noor smashed a 6 in what was only his second ball of the innings. Noor went on to hit a 19 which included two further boundaries before being bowled out. With Hendon's top order batsmen failing to capitalise on Noor's strong start it was left to wicket-keeper turned middle-order batsmen Cody Smullen to see the Red Shirts home. He recorded a much needed 7 runs from 12 balls which led to Khan's Red Shirts recording their first league victory of the season with 11 balls remaining.

As the curtains close on what has been a hugely exciting debut season for the Red Shirts, Hendon supporters will now be hopeful that their attacking brand of Cricket will see them become serious title contenders come next summer.

Hendon Football returns in preparation for the 2015 season

With the football season starting in the second week back after the summer holidays the Hendon PE Department are running pre-season football training, which will be every Tuesday from 3:30-4:30PM until the end of term. Both the Year 10 and 7 football teams have been back in training as they aim to improve on their mid table finishes in 2014 but the sessions are open to all students in Years 7 to 10. All students (both boys and girls) are welcome as Hendon Football aim to make 2015 a year to remember.

Year 9 boys attend prestigious boxing tournament at Alexandra Palace

Twelve Year 9 students were taken to Alexandra Palace on Thursday 18th June as a reward for their excellent attitude in Physical Education this academic year. Both the Haringey Police & Community Fair and the William Hill Box Cup (a junior boxing tournament) were being held at the venue in what turned out to be both an exciting and rewarding day out for the Year 9 students. All of the students represented the school in a fantastic manner as they mingled in a polite and enthusiastic manner with representatives from the British Army, Metropolitan Police, London Ambulance Service and Tottenham Hotspur amongst others. Hendon students then sat down to watch an afternoon of boxing as day 1 of the William Hill Box Cup, one of the most prestigious youth boxing competitions in the country took place in front of their own eyes. Finally a huge well done to the following students who represented the school in such a fantastic manner: Beni Bomba, Jordan McKenzie, Jordan Oladipo, Jack Crocker, Craig McKelvey, Joseph Tsangari, Ibrahim Ali, Charlie Heritage, Rivaldo Tobing, Anthony Mace and Shakai Callum.

Upcoming PE Fixtures & Events

Year 7 Athletics - Thursday 25 th June @ Allianz Park	Year 8 Athletics - Wednesday 1 st July @ Allianz Park
HI Football Festival - Friday 3 rd July	Sports Awards - Tuesday 14 th July
Staff v Sixth Form Football - Friday 17 th July	

Mr Richardson, Teacher of Physical Education

Sports Day 2015

On Friday 19th June we saw the annual Hendon School Sports Day held at Allianz Park. A wonderful day enjoyed by all. At the moment, the results are top secret until assemblies have been held and results given. A full report to follow in the next issue of the Hendon News.

The PE Dept

Future Scholars go to Manchester University

Five Year 9 students were selected to attend the DfE funded Future Scholars programme. The aim of the programme is to encourage students to consider studying at the Russell Group (top 20) Universities in the country.

Starting at school at 5.15am! Not too many tired faces though as they were excited at the prospect of being University students for the day. We arrived at Manchester University at 9am, we had talks about student life, a tour of the campus - "wow the library was big" "the buildings were old" and took part in workshops. We took part in a humanities workshop "History and the Olympic opening ceremony," where we had to design our own ceremony to reflect British history and present this to the lecturer and the other schools. Our favourite was the engineering workshop "The future of energy." We had to build and race

our own cars. The Hendon team won and were awarded with a prize for our design. The lecture was fun and the student who led the workshop was so passionate about her work and inspired us. After a lunch in the student restaurant - "Wow" "Great food the pizza was amazing." We went to the final session of the day where we were presented with our certificates. Before we embarked, now very tired on our journey home, a great opportunity to sleep but also reflect on the day. We were all inspired to consider Manchester as our university in the future.

Design & Technology Exhibition - Thursday 9th July

The Design & Technology Faculty is holding its annual exhibition on Thursday 9th of July in the school's main hall, from 17.00 to 19.00.

The exhibition will be showing work from KS3, 4 and 5 students from all areas of Design & Technology.

A Catwalk show, featuring garments created by Year 10, 11, 12 and 13 Textiles students will be held at 18.00.

A Design & Technology Award Ceremony will follow the catwalk show.

We are looking forward to seeing many students, parents and staff at the exhibition.

Mrs. Gavartin
Head of Design and Technology

Design and technology exhibition

Thursday July 9th 2015
Hendon school main hall
TIME - 17:00 - 19:00

Featuring work from all the year groups:

- Resistant materials
- Textiles
- Graphics
- Catering
- Child development
- Product design

Hendon School
Help us raise money for new technology

Help raise money for your school by donating any unwanted working electronics

**Do you have unwanted electronic items collecting dust that you no longer use?
Are you worried about what it may contain or where it might end up?**

We have a solution that will help you and your school! Hendon School are pleased to announce that RDC, the UK's largest recycler of used electronics will be supporting this initiative.

By donating your unwanted electronics, you can help us raise funds to invest in new technology for the pupils at Hendon School. At the same time you can be assured that your item will be handled professionally including securely data wiped, using industry recognised software.

How do I donate my electronics?

**You can bring your gadgets
along with you to the school
fair on Sunday 28th June.**

OR

**You can donate via our online
portal. It's FREE to use and to
send your items to us.**

www.rdc-cbs.com/partner/hendonschool
