

As this year's public examination season begins, we are aware that a huge amount of preparation and hard work is being undertaken both by the students and staff to ensure the best results. It is also vital that students are receiving the support at home. Parents can support by ensuring that their children have a dedicated space to work, the necessary equipment, ensuring a good diet and plenty of sleep. It is also important that as part of their exam preparation students take regular breaks and build in opportunities to relax. Students are not having study leave and will continue to be in school at 8.35am each morning. Lessons will continue as normal for those not in public examinations.

GCSE Exams week beginning 11th May

	Morning	Afternoon
Monday 11 th May	Religious Studies	Sociology
Tuesday 12 th May	French	Biology
Wednesday 13 th May		Religious Studies
Thursday 14 th May	Chemistry	Sociology
Friday 15 th May	Spanish	PE

We wish all our students the best of the luck with their public examinations.

A/S and A-level results day - Thursday 13th August

GCSE results day - Thursday 20th August

Hendon School Needs Your Help

Dear Parent/Carer

We are holding our Summer Fair on Sunday June 28th 12-4pm. We hope to make it a fun and exciting day for the whole family, so that we can raise much needed money for the school to purchase external gym equipment and towards a new dance studio.

We will be having a range of activities including Aqua zorbing, Classic Cars, stalls selling a range of goods, sporting events and performances throughout the day. However the success of the day depends on all students (past and present) families and friends attending. Please put this date in your diary.

If you are able to support the fair by donating food and or tombola/raffle prizes we would be very grateful. We also need more helpers to assist on the day to help with setting up, manning stalls/activities and serving refreshments.

Our next meeting is on Wednesday 13th May at 6pm, in the Headteacher's office. Please try to come along. If you cannot attend but are able to help in the preparation or the day, please email me. We really would appreciate your help in this as we very much want to make the event a highlight in the school calendar and raise money to help the school and our current students.

Please email Friends of Hendon on FOH@hendonschool.co.uk or a message can be left on 020 8202 9004 ext 220

School Equipment Shop

All items that departments currently sold to students e.g. calculators, geometry sets and subject revision guides are now available in the School Equipment Shop. The shop is situated in the Finance Office and will be operating during break times only.

Students should try and bring the correct money with them. The cost of the items is the same as when bought directly from the Faculties.
