Science Department take Year 8 to the London Wetlands

At the end of the summer term Year 8 students went to the London wetlands. We were very lucky with the weather on both days.

At the Wetlands the students learnt how to pond dip and adaptations of animals to life in fresh water. The students were excited with what they collected especially the sticklebacks and brightly coloured mites. They were able to view the organisms under powerful hand held microscopes.

Also on the day they visited one of the bird hides at the wetlands and used Binoculars to observe the many birds on the lakes especially the Canadian geese and THE SHARD in the distance!

The students also followed two trails. One looking at Succession with different habitats and another looking at birds from around the world. For some students the loud sound of the crickets was a surprise. The otters were very entertaining and clearly they loved being watched and being photographed.

This was our second year at the London Wetlands and a wonderful enrichment opportunity for students to experience ecology at first hand.

Esah Hayat - Deaf under 18 World Tennis Champion 2015

In July, I won the Boy's Gold at the World Deaf Championships. It was held at Nottingham Tennis Centre from 20-26 July. There were over 20 countries and 70 competitors. There was lots of media people and spectators all throughout the tournament, which made it more exciting. I feel very proud and pleased to have won the tournament especially as it was only my second international tournament.

Esah Hayat 9.4

1st - Great Britain
2nd - Germany
3rd - France

Hendon Football suffer whitewash to the hands of local rivals Whitefields

Welch, Richardson, Harper and Holt face a huge rebuilding job after Hendon Football sunk to a new low with all 4 teams in action recording defeats to fierce local rivals Whitefields.

Harper tasted his first defeat in football management as his Year 7 team gave away a 1-0 lead in the final 10 minutes to eventually lose 2-1. Jaden N was one of the few positives to come out of the game as he added a fine finish to a dynamic debut for the blue and red stripes. With Hendon being exposed defensively throughout the game it is widely expected that Hendon veteran and defensive guru Edward Welch will take Harper's place on the touchline for this week's 'do or die' meeting against league newcomers SMSJ.

After cruising to a 5-0 victory against TTA, Richardson's Year 8 team were handed a 5-1 drubbing and dominated in all facets of the game by their Brent Cross counterparts. With the build-up to the game littered by poor attitude and organisation (5 members of the squad forgot their shin pads) a make-shift defence was ultimately made to pay by a well-polished Whitefield front line. Eugene O staked his claim for a regular starting berth up-front with a consolation goal and his first of the season, whilst James H continued his great start to the season by claiming the MOM award from left back.

Welch's Year 9 team finally looked like shaking off the tag of 'underachievers' after a dominant opening week win, however they were sent crashing back down to earth with a 1-0 defeat to the same team that knocked them out of the Barnet Plate competition last season. Kevin Kamara put in a dominant display in midfield to earn the MOM award, but was helpless as Hendon's attacking stalwarts failed to produce the same magic that had seen them run out 4-0 victors the previous week.

To cap a substandard week for Hendon Football, Holt's Year 10 squad failed to put out a team on Monday evening, thus resulting in a default 3-0 loss to Whitefields.
