

Message from Kevin McKellar

Dear Parent/Carer,

Sincere thanks to the parents that are really helping us to tackle the punctuality problem. It really has helped to make a difference. An excellent example of partnership working. Punctuality to school is a basic standard and we really do feel supported that you are helping us to take this so seriously.

We are also pleased with the parents who have helped us in our drive to cut down on low level behaviour incidents. We have to go through a bit of a pain barrier here but we are really pleased that staff and parents are working together to raise standards in the classroom.

Other Important Points of Information

- Activity Week takes place this week. Thanks to Yvonne Weatherhead for organising such a dynamic event for the students.
- The school production is on the 6th, 7th, 8th and 9th July 2013. If you would like to get involved in any way then please see Suzy Graham-Adriani, our fantastic Head of Creative Arts or Nicola Barron the Second in Faculty of Creative Arts.

And finally, thanks to the parents and carers that turned up for our fantastic sports day. It really was an incredible experience for all. Thanks to Miss Sheehan for giving our students such a worthwhile experience. Our South African visitors have been so impressed by the quality of education and by the fact that we give our students so many wow factor moments.

Have a great week.

Kevin McKellar
