## Family wanted by Wall To Wall Media for exciting new BBC series!

Are you a food-loving family who would enjoy the culinary adventure of a lifetime?

Would you like to take part together in a unique and unforgettable social history experiment in your own home?\*

BBC Two is looking for a family to spend summer 2014 immersing themselves in the food we ate from the 1950s to the present day.

If you would enjoy the chance to show your children just how much family life and mealtimes have changed, we would love to hear from you.
