

Well Done, Esah Hayat!

Disability Talent ID: review by Khushali Patel

Finchley Indoor School was home to Middlesex Cricket's inaugural Disability Talent ID event on Wednesday 29th January. Four Middlesex secondary schools from Barnet, Westminster and Tower Hamlets brought their most talented students to be put through their paces by Middlesex disability squad coaches, for the chance to then be invited to join one of our County Performance Squads - PD/LD, Deaf and VI/Blind.

The assessment process consisted of three stations designed to test their core skills in batting, bowling and fielding. The dedication shown by all participants throughout the day was exemplary, with some fantastic cricket on show and one student, Esah Hayat (7.4) from Hendon School's Provision for Deaf Students, achieving top marks in all three drills!

If you would like more information about our disability performance programme contact Khushali Patel: khushali.patel@middlesexccc.com.

Dear Parents / Carers

I am pleased to tell you about an exciting whole school marking initiative. All staff have been given a snazzy new verbal feedback stamp, which they will use to record verbal feedback in books. The aim is that it will promote a dialogue of learning where students respond to feedback instantly and live in class. All students will have to take ownership of their verbal feedback and write targets or make corrections underneath the stamp.

Please support us by looking through exercise books and discussing the verbal feedback targets with your son or daughter. Challenge them on the steps that they have taken or need to take next in their learning journey. Please also look out for a very special stamp that Mr McKellar is using (pictured) to challenge students on his regular learning walks around the school.

Please get back to me with any questions that you have about the verbal feedback stamps or with any other ideas you have about improving marking and assessment at Hendon School.

Many thanks

Mr R Spicer Assistant Headteacher (Climate for Learning)
