

Message from Kevin McKellar

Dear Parent/Carer,

I have had a number of deep and meaningful conversations with parents over the last few days. We will be putting a questionnaire out after half term and we would like to get the strongest response possible. I will be liaising with Jacqui Jack, our Parent Voice Coordinator and the Parent Governors to find the best way to go about this. Remember, we are all here to serve you and your children. Whilst we love working in a London school, it does have its challenges and we are very grateful to the parents who come to tell us how we need to improve. We always want to be doing a better job and your help and support is absolutely essential. On 30th and 31st January 2014, we had a National Challenge Review which was extremely positive. We had a lead Ofsted Inspector called Helena McVeigh who looked at our data and compared us with other schools nationally. Compared to 55 similar schools nationally, Hendon is top equal which is a terrific achievement. We will be able to send you out a summary of the report after half term.

But, we still have things to work on - like marking and assessment, like developing a consistent approach to feedback to all students. Please do not hesitate to get back to me if you have any areas of concern.

Please support the school show. It is on Thursday 13th February at 7.00pm, Friday 14th February at 7.00pm and Saturday 15th February at 1.30pm and at 6.30pm. It really will be a fun occasion. Mr Humphrey and his team have worked tirelessly and the students involved in the show are hopeful that it will be a sell-out. If you would like to purchase a ticket then please contact reception.
