

Message from Kevin McKellar

Our Amazing Animation Studio

I had a really productive meeting with a group of parents yesterday. I always welcome all ideas and suggestions and some parents have come up with some fantastic ideas about how we can move forward. I will get Jacqui Jack, our Parent Voice Coordinator, to work with you and to feedback on all that has been going on.

In the meantime, I thought that I would let you all know about the superb animation studio that we have. Tom Graham-Adriani from the art department is making a film with the students and I have been so impressed with the quality of the work. The film should be made by the summer term and I will be inviting all parents to a screening of it once it is finally finished.

The students work on the film every lunchtime and every Saturday. If you would like to be involved in anyway then please email Mr Tom Graham-Adriani on Adrianit@hendonschool.co.uk.
