

Year 7 Language Choices

At the start of Year 7, our students have the opportunity to study the four languages we teach at Hendon School - French, German, Japanese and Spanish. They touch on some of the language, history and culture of these countries. We then give our students the chance to study two languages through KS3. In Year 7, they have a choice between French and Japanese. In Year 8 they will pick German or Spanish. On Tuesday 14th October, your son/daughter will bring home a letter asking them to make their Year 7 language choice. Please discuss this choice with them as they will continue to study the language they choose through KS3 and possibly into GCSE. To fill students preferences, please be sure they return their letters to the school reception by **Tuesday 21st October**. Students who do not return their letter by this date, cannot be guaranteed their language choice.

Thank you
Miss Corso Head of MFL

Messages from Student Support

Lost Property

Could the Student Support Department remind parents and students that we have limited space to keep lost property. We already have a large amount accumulated in the office and students very rarely come and check to see if their lost items are in the department. We would happily return lost property to students if it was marked with the students names; but again none of the items we have can be identified in this way. We would ask parents to remind their children to check lost property and also remind them about being more responsible for their possessions around school.

PLEASE NOTE - ALL LOST PROPERTY WILL BE DISPOSED OF AT THE END OF TERM.

Medication

Can I remind parents and carers it is a legal requirement that if they need their son or daughter to have the Student Support Department dispense medication to them during the school day, they must send in a note giving written permission with the medication. It should state when the medication should be given and the correct dosage.

Contact Telephone Numbers

Would parents please ensure that the school has their current home, work and mobile numbers. We are experiencing huge difficulties in contacting parents and carers when students are ill or injured. It would be helpful if the students know where their parents work (many do not). We always suggest students keep the relevant numbers stored discreetly in their planners for such emergencies.

Medical appointments during school hours

If your child has to attend a medical or dental appointment during the school day, please ensure that you send your child into school with a letter signed by the parent or the medical card which shows their name and the date of the appointment. Again we are having the problem of some students coming into the office stating that they have an appointment and requesting that we ring their parent to confirm this.

Thank you for your help with these issues.

Mrs Fella - Student Support.

Football Results

Games - Week Commencing 29 th September	Result	Man of the Match
Year 7 v TTA (home)	Game postponed	
Year 8 v Finchley Catholic CUP (away)	Lost 5-4 (After Extra Time)	Ryan Whitford Stark
