

Believe
We support each student to feel safe, have confidence and to be ready for everyday life. We help each student to be the person that they want to be.

Achieve
We support each student to realise their full potential in all aspects of life – academic, creative, physical and social. We help our students to always do their best.

Lead
We work together to lead improvement. We recognise the skills and strengths of leadership. Everyone has a part to play in the future of our Hendon School community.

Belong
We connect with others to build effective and harmonious relationships within school and our wider community. At every stage we aim to develop shared values.
