'Learning Together Across the World'

22nd October 2024

Dear parents/carers,

I am writing to you to inform you of our first 'Hendon School House Day' this Friday 25th October. The day has been organised with the students to give them an opportunity to represent their house in their house colour and take part in a number of competitions to win points.

On Friday, all students should come to school wearing their house colour. It is a non-uniform day and so students will be able to pair their house colour item of clothing with non-school uniform items for example a yellow dress can be worn with trainers. All students know the houses that they are in but the table below also shows this.

Form	House	Colour
.1 & .5	Emerald	Green
.2 & .6	Sapphire	Blue
.3 & .7	Ruby	Red
.4 & .8	Amber	Yellow

Alongside scoring points for wearing their house colour students can take part in a range of extra-curricular competitions at lunchtime in the sports hall to win points for their house. All details of these have been shared through their mentoring sessions and via frog.

It is great to see the student's commitment to their house and their excitement to win points for their team. All houses are currently very close with points leading up to half term and so the large amount of points on offer on Friday will help their house top the leaderboard this half term.

Kind regards,

K Downing
