'Learning Together Across the World'

10 October 2023

Dear parents/carers,

I hope this letter finds you well. We are excited to announce a new initiative that aims to enhance communication and engagement within our school community. We are launching official social media accounts to keep you informed about school news, events and updates.

In today's digital age, social media platforms have become powerful tools for communication and collaboration. By establishing a presence on these platforms, we hope to increase communication with all members of the school community and provide real time updates on school events, important announcements and other relevant information.

We have three new Instagram Accounts that are now active:

1. Whole School News & Events: Hendon.School

This account will be used to share school events, news and important announcements.

2. PE Department News & Events: Hendon_school_pe

This account will be used to share upcoming fixture details, results, trips and any other relevant sporting news.

3. Student Voice News & Events: Hendon_student_voice

This account will be run by the student voice team to share updates on initiatives they are running and opportunities to be involved.

We invite you to connect with us on this platform and stay updated with the latest news and events at Hendon School. We are excited about the opportunities that social media will bring to our school community. By joining us on this platform, you will be an integral part of our effort to strengthen communication and engagement at Hendon School.

Thank you for your ongoing support.

Kind regards

Miss K Downing

Senior Leader
