*'Learning Together Across the World'*

3<sup>rd</sup> October 2023

Dear parent/carer,

I am writing to you to offer your child a fantastic opportunity we have managed to secure. Due to the high demand in volleyball at Hendon School we have expanded our provision and hired a qualified coach to deliver sessions every Monday after school. The coach leading these sessions is extremely experienced and runs his own volleyball club 'Willesden VC'. These sessions will run from 3.20-4.20pm. The sessions will run from Monday 9<sup>th</sup> October and continue throughout the full academic year. We aim to keep the cost of these sessions to a minimum to ensure it is accessible for all students. Therefore, we aim to have the cost at £25 for the full academic year. This will however be dependent on the number of students who sign up to the sessions. If there are limited sign ups the cost may have to change or be based on terms opposed to the full academic year.

Attendance to these sessions will allow students to develop their skill set and improve their tactical understanding of the game as well as provide the link to Willesden Volleyball Club. As a PE department we have been really impressed with the student's dedication to practice volleyball and would love to continue to develop and encourage this through the coaching sessions and the introduction of competitive fixtures against local schools. Alongside developing their ability in a range of sports it will also increase their success in the GCSE PE course should they choose to study it in year 10.

Students who would like to attend volleyball club will be required to sign up by making the £25 payment on parentmail. Places will be offered on a first come first served basis.

Kind Regards,

Yours faithfully

*K Downing*
