'Learning Together Across the World'

18 October 2024

RE: KS3 Language choices

Dear Parent/Carer,

The learning of languages is very important to us at Hendon School. Since September your child has spent time exploring different aspects of the languages taught at Hendon School; French, German, Japanese and Spanish during Modern Foreign Language (MFL) lessons. During these lessons they have had a brief introduction to the language and also considered cultural aspects of each country and the regions these languages are spoken.

As of Monday 4th November 2024, your child will start studying two languages for the remainder of year 7 and into year 8.

Please discuss the language choices with your child and then help them to fill out the online form on FROG (accessible from the school website – see overleaf). Here they will be asked to select their first, second and third choice of languages. Students will then be assigned to mixed ability classes studying two languages.

We will do our best to accommodate all students' preferences. However, we cannot guarantee that all requests will be met due to the limited spaces for each language. Places in the different language groups will be allocated on a first come, first served basis.

The online form will open on **Friday 18th October at 5pm** and should be completed by **Wednesday 23rd October 2024 by the end of the day**.

Please note once choices have been made, students are not able to resubmit the form.

If you have any queries regarding language choices, feel free to email me at sanzhursti@hendonschool.co.uk.

My thanks in advance for your support with this process.

Yours faithfully

I Hurst
