Key Stage 4

At Hendon School we are proud of our students' achievements. The success is a product of their hard work and dedication alongside the support of our whole school community. We are an inclusive and fully comprehensive secondary school that demonstrates through our outcomes the exceptional progress students make at Hendon.

Key Stage 5

Hendon School prides itself on its post sixteen curriculum which provides multiple pathways for students of all abilities. We have an established successful A-level programme which pushes the most able alongside alternative pathways to ensure that all students to make progress and transition in to university, college, or employment at the end of year 13.
