global leaders in commercial
property sales and rentals

Why HS6?

BELIEVE

Personal Development and pastoral care

- Excellent team of staff supporting students in all aspects of their sixth form journey.
- Mentoring programme tailored to the experiences of our young adults.

Why HS6?

LEAD

Extensive Careers Opportunities

- Varied and wide reaching opportunities for students
 - Connections to external providers; universities, apprenticeships, employers

Supporting Barnet Students

Chidi's Achievements

Working in Barnet, we have promoted the various Wates programmes including the Summer Residential to local schools and organisations. We are proud to share that three Barnet residents were selected for this highly sought-after opportunity, including Chidi Olisa from Hendon School, who has excelled both during the program and in a subsequent internship on the prestigious Bishop's Avenue project.

Chidi first participated in the Summer Residential, where she was one of 30 students in completing a series of practical and theoretical construction tasks, alongside team-building and communication activities. Her enthusiasm and skill during the residential set her apart as a dedicated and proactive learner.

Following the residential, Chidi was invited to participate in a three-week paid internship with Wates, working on our renowned project at 56 Bishop's Avenue. During the internship, she shadowed both the commercial and design teams, contributing to their daily tasks and gaining hands-on experience. This exposure helped Chidi discover new roles in the construction industry that she hadn't previously considered.

Chidi also took the initiative to sign up for the Wates Girls' Academy, a five-month mentorship program designed to support young women in exploring different areas of construction. Through this program, Chidi will continue to expand her knowledge and skills, learning more about career opportunities within Wates, including our Trainee Apprenticeship Scheme.

We are incredibly proud of Chidi's achievements and look forward to seeing where her passion for the construction industry will take her in the future.

“

The environment and amazing people I worked with pushed me to ask questions, take note of details, consider what in construction I'd like to pursue, and helped me develop my understanding of what the construction industry is all about. It was an extremely helpful and great introduction.

Chidi Olisa

Hendon School
Believe, Achieve, Lead, Belong

Why HS6?

BELONG

HS6 Community – Your Sixth Form

- You belong here, we include all and have a strong community
- Dedicated sixth form centre providing both a focused learning environment and relaxing meeting point for our students.

Extracurricular Events

Student Speeches

- Chidi – Year 13
- Jasmine – Year 12

Believe We support each student to find life, love, confidence and to be ready for whatever life. We help each student to be the person that they want to be.	Achieve We support each student to realise their full potential in all aspects of life – academic, creative, physical and social. We help our students to always do their best.
Lead We work together to lead improvement. We recognise the skills and strengths of leadership. Everyone has a part to play in the future of our Hendon School community.	Belong We connect with others to build effective and harmonious relationships within school and our wider community. At every stage we aim to develop shared values.

How do I apply?

▶ Online Microsoft Form

The banner features the Hendon School crest on the left, which depicts a stag with a cross on its back and the motto "OMNIA DISCENDO VINCES". On the right, there is a video call interface showing two students, a boy and a girl, smiling. The background of the banner is a blurred image of a school hallway.
