'Learning Together Across the World'

11/02/2025

Dear Parents/Carers,

House Day – Friday 14th February

Following the fantastic success of our first House Day last term, we are excited to announce that our second House Day will take place this Friday, 14th February.

On this special day, we encourage all students to come to school wearing their house colours and take part in a range of exciting competitions and activities to earn points for their house. Events running throughout the day include:

- Photo Quiz – Students can take part during break or lunchtime.
- Sports Competitions – A chance to showcase teamwork and athletic skills during lunchtime.
- Photography Competition – A creative challenge for students to capture the best shots and submit via Frog

Please note: All competitions and activities will take place **outside of lesson time**, so students are expected to bring all the necessary equipment for their learning.

If students do not have clothing in their **house colours**, they may choose to:

- Decorate a **plain white t-shirt**,
- Wear **coloured accessories**, or
- Attend in their **school uniform**.

Face Painting will also be available on the day led by Year 11 Students to fund raise for their school prom. Students will be offering face painting before school and at lunchtime for just 50p, payable in cash.

We look forward to another fantastic day of school spirit, competition, and fun!

Best regards,

Miss. K. Downing
