## Year 13 Mock Results Day: Monday 24<sup>th</sup> February 2025

February 2025

Dear Year 13 students, parents and carers,

On Monday 24<sup>th</sup> February we are organising our first Year 13 Mock Results Day. This will create a unique opportunity for students to receive the results of their recent mock exams in a setting similar to that of our summer results day and gain a sense of what this will feel like. Following this we will provide students with an opportunity to reflect on where they are, set targets to help them continue working to where they want to be and celebrate their successes.

Students will need to arrive to school by **10am and head straight to the hall**. The day will include an assembly, group activities, personal reflection time and a celebration of how far they have come.

We know they are working hard and that they have so much to achieve in the summer. We want the day to be positive and motivating, supporting and caring. It will be led by Mr Harper, supported by the sixth form staff and the year 13 tutor team. The day will finish by 13:00 and students will be able to make their way home.

We look forward to sharing this day with our students. If you have any questions please do not hesitate to contact the sixth form team.

Kind regards,

*C. Saunders*
