'Learning Together Across the World'

19th September 2024

Dear Parent/Carer,

We are writing to tell you about an exciting opportunity available to your child as part of their PSHE curriculum. On 24th September, The Message Trust will visit the school to deliver a lesson as part of the No More Knives Tour. Designed to equip your child with practical tips and techniques to stay safe and say 'no' to knives, the lesson will be presented by The Message Trust's experienced schools workers and an educational band from the charity, alongside members of the Met Police Youth Engagement team. This experience will take place in school time and feature curriculum content, live music, facts and stats and personal stories of hope on this theme from band members.

The Message Trust is a Christian charity that has been working in schools across the UK for more than 30 years, helping young people explore life, faith, and positive values. With an excellent reputation for working in partnership with local churches, youth organisations and civic partners, all our lessons are accessible to and respectful of all faiths and none and receive excellent feedback.

This tour will end with a concert called LIFT on 27th September which all our students will be invited to. Band members will share personal stories of how their Christian faith has had a positive impact on their lives and provide opportunity to discover how faith could be a part of ones decision making process should they feel this is right for them.

This concert is being held Enfield Baptist Church EN2 6TG and doors will open at 7pm. Tickets are £3 and can be purchased online using the following link www.ticketsource.co.uk/nomoreknives or scan the QR code below...

Should you have any questions about the upcoming visit, please feel free to contact parents@message.org.uk. We are looking forward to seeing the positive impact the No More Knives team will have in our school and our wider community.

Yours sincerely,

Mrs Kruczyk
