Dear Parent/Carer,

## Re: Wates Trip to Bishops Avenue

As part of our commitment to offering students a range of careers opportunities, your daughter/son has applied to visit a construction site. The trip will offer insights into a range of jobs in construction including the trades, project management and architecture.

The trip is on Thursday 5<sup>th</sup> December. Students will travel by minibus to Bishops Avenue, Hampstead and take a 90min tour of the site. Students will return to school at approximately 1.30pm.

All safety equipment will be provided by Wates, which students must wear. This will include hard hat, safety goggles, gloves and safety boots.
