'Learning Together Across the World'

September 2024

Dear Parent/Carer,

At Hendon School we are committed to working with our parents/carers to ensure the best outcomes for all students. Communication is key to a successful partnership, and I would like to take this opportunity to remind you who you should contact regarding any concerns, issues, or information that you think the school should know.

People to contact:

For general queries, concerns or to share information your child's form tutor should be the first point of contact. They meet every morning with your child(ren). As they are teachers it is often easier to contact them via email.

If you need to escalate the pastoral issue, then please contact your child's Head of Year.

Subject queries email the relevant Head of Faculty.
