

## Key Stage 3 Enrichment Week

**Monday 23<sup>rd</sup> June- Friday 27<sup>th</sup> June**

Each year all students in Key Stage 3 take part in Enrichment Week. This week comprises of students taking part in 5 full days of enrichment activities designed to extend their learning beyond the classroom. This week is a compulsory part of the student's education journey at Hendon and has been thoughtfully designed to provide opportunities to develop life skills, ignite curiosity, foster creativity, and instil a lifelong love for learning in your child.

We understand the financial implications weeks such as these can have on parents and carers and so we strive to give as much notice as possible and to keep the cost as low as we can- It is important to us that Enrichment Week is accessible to all students. The prices stated below are approximate costs based on last years prices. We aim to keep the cost as close as these as possible, however they are subject to change based on trip prices.

**Year 7: £15**

**Year 8: £25**

**Year 9: £50 for daily trips/£500 for a 4-night/5 day residential trip**

**\*\*There is limited availability on the year 9 residential trip. A letter will be sent to all year 9 parents in the upcoming weeks for parents who are interested to sign up and make a deposit of £150.\*\***

More detailed information will follow shortly.
